IN THE NAME OF ALLAH, THE MOST BENIFICIAL AND MERCIFUL

ASSALAMU ALYKUM.

Dear Brothers and sisters in ISLAM.

On behalf of all members of **Hira Foundation Karimnagar**, We would like to express our thanks to you all for the support you have given us by arranging for 1160 Ramadan food packs and 360 Eid Packs.

We would like to express special gratitude and thanks to you for supporting our project for the poor and needy brothers/sisters living in 36 remote villages of Karimnagar district in India. Alhamdulillah, Your contribution makes it possible for us to distribute these food packs. We owe our profound acknowledgement to your kind cooperation, guidance and constant support. Over the past few years, With such help we could reach their hearts, understand their needs and make them aware and enlighten them with basic Islamic teachings and help them imbibe the true essence of Islam.

The people of these villages are called "TURKA KASHI" meaning Muslim stonecutters. These poor Muslims are illiterate and know nothing about Islam; they earn their livelihood by breaking stones in the mountains. Hira Foundation has appointed teachers in these villages to teach Quran and about Islam in these villages since past 9 years.

We are thankful to all our brothers and sisters for extending their valuable support for this cause. May ALLAH subhanahu Wa taala grant you and your family all your JAYEZ wishes in this DUNIYA and in AQUIRAH.

We would like to thank you once again for your generous donation towards this noble cause. Hoping for continuous support from your side in near future.
